Medical insurance for your pet.

YOU HAVE HEALTH INSURANCE FOR YOU AND YOUR FAMILY. WHAT ABOUT YOUR PET?

Trupanion strongly believes in helping you provide the best medical care for your pet. We're happy to partner with Sierra Benefit Solutions Insurance Services to help protect the bond between you and your furriest family member.

WHY PET MEDICAL INSURANCE?

Owning a pet is a big commitment. It can be a big financial commitment, too. By helping to reduce financial barriers, pet medical insurance can ensure your veterinarian can provide the very best care for your pets based on the best medical decisions — not money.

WHY TRUPANION?

Trupanion is the fastest growing provider of pet medical insurance in North America.¹ We offer one simple plan that pays 90%* of covered veterinary costs related to unexpected injuries and illnesses — including hereditary and congenital conditions. We cover diagnostic tests, medications, surgeries, hospital stays, and much more with no annual or lifetime payout limits. Trupanion was started and is run by pet lovers, which means we understand the bond you share with your pet. And we want to protect it.

ONE SIMPLE PLAN • 90% COVERAGE* • NO PAYOUT LIMIT
